

Yakima River / Hanford Reach Salmon Reports and Ringold Steelhead Reports

May 25, 2009

Ringold Steelhead

River was high and turbid all week. Very low effort for all species. Only 5 anglers interviewed fishing for salmon during the three days sampled. No salmon reported by the salmon or non-salmon anglers interviewed.

Yakima River Spring Chinook Creel Survey Weekly Summary May 18-24, 2009

Salmon Anglers Sampled

Week	Anglers	Pole Hours	Chinook (Hatchery)				Chinook (Wild)		Steelhead		Incidental Catch			
			Adults		Jacks		Adult	Jacks	(Released)		SMB		C.Catfish	
			Kept	Rel	Kept	Rel	Rel	Rel	Hatch	Wild	Catch	Rel	Catch	Rel
